Spenceju@gmail.com

My name is Justin Spencer and I'm currently a fourth year Digital Design major in the school of Design at the University of Cincinnati. I'm also a fourth year Biology major in the college of Arts and Sciences. Upon graduation I plan to attend medical school and hope to advance the field of virtual medicine. Above is my contact information. Please feel to contact me with any questions and please feel free to request my references. I look forward to hearing from you.

Education

Graduated from Highlands High School, which is located in Ft. Thomas, KY.

2001

Education

First enrolled at the University of Cincinnati.

2002

Extracurricular

Began to study and teach the Bible as a member of the University Bible Fellowship under the supervision of Dr. Sameul Zun. I have studied the Pentateuch, Mark's gospel, and several of the epistles.

2003

Work

Worked as a tutor for one year in the AmeriCorps program. I was assigned to work for Literacy Center West, a nonprofit organization dedicated to helping young adults earn their *G.E.D's*.

2004

Work

Worked for two years in the Department of Environmental and Civil Engineering at the University of Cincinnati under the supervision of Dr. Paul Bishop. I worked in a lab that was funded by the National Institute of Environmental Health and Science, which studied the biodegradation of polycyclic aromatic hydrocarbons.

2005

2006

Extracurricular

Volunteered for a year and a half at the Cincinnati Children's Hospital Medical Center located in Cincinnati, OH.

2007

Work

Currently working in the Department of Molecular Physiology at the University of Cincinnati under the supervision of Dr. Brian Mackenzie. Our lab investigates iron transport in human epithelial cells and amphibian oocytes.

2008

Education

Currently working towards a double major in Digital Design and Biology. Current *GPA- 3.5*.

2009

Education

Expected date of graduation - June 2010.
